

BSYAA Youth Football and Cheer Donation Form

BSYAA is a non-profit football and cheer league for children in K – 6th grade. We provide a safe and fun atmosphere for our players to learn discipline and build character while learning the fundamentals of football and cheering for their peers.

We are very excited to offer several sponsorship packages to you! We need sponsors like you to help us purchase new football pants, helmets, flags for flag football, and cheer uniforms for our upcoming season.

BSYAA had over 160 children registered last season who were supported by their siblings, parents, grandparents, aunts, and uncles at every game. Your company will receive high quality exposure to thousands of residents throughout the Bermudian Springs School District and the surrounding area.

Business/Individual Name: _____
